Customer Appreciation Day—2018

Each of our locations had a successful turnout, here are a few pictures .

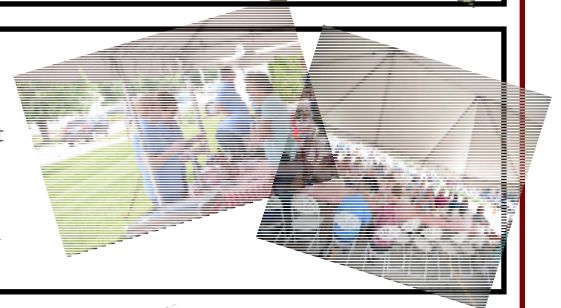

Gibbon Branch

The Gibbon branch served over 225 people pulled pork, brisket, chips and a cookie on a beautiful summer evening for Customer appreciation. We enjoyed some wonderful trumpet music from a talented young man from Shelton named Jose Montanez. Our BBQ was catered by Code 3 a local business that made excellent smoked pork and brisket. Thank you to all the staff for their team work in making this a fun evening!

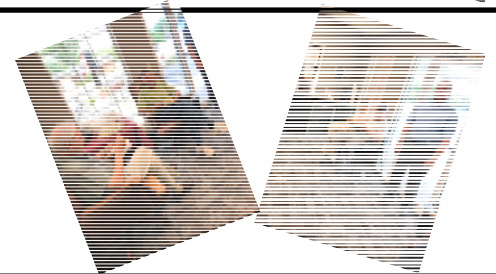

Kearney Branch

The weather was perfect for our customer appreciation. We decided to switch things up a little this year. We had Flipping sweet bring in their food truck and serve our customers fresh off the grill hamburgers, along with potato salad, chips and sundaes. Everyone had a great time visiting old friends and new and loved the food!!

Salina Branch

Customer Appreciation Day was a success at our Salina Branch. We all enjoyed the great food catered by Geralyn Graver, Kim Nguyen and Sonia Calderon. The time spent with all our great customers was priceless. We are truly blessed to have such great customers!

Grand Island Branch

What another SUCCESSFUL & great day we had in Grand Island!! We served 425 customers with BBQ pork sandwiches, hot dogs, chips, ice cream & drinks. It was so nice to see so many customers, friends and family on a beautiful sunny day.

Lincoln Branch

In Lincoln we had a perfect day for our customer appreciation celebration. We served pulled pork sandwiches made by Chef au Chef, as well as watermelon, cookies, and chips. We had a great turn out of around 120 people. As part of our event we decided to collect water for the People's City Mission of Lincoln. We had wonderful participation from everyone and were able to donate over 20 cases of water!

1:30 p.m. we will arrive at Joslyn Castle. In 1903, George and Sarah Joslyn completed one of Nebraska’s greatest homes—a 35-room Scottish Baronial mansion atop a hill on Omaha’s outskirts. The four-story house was completed at a cost of \$250,000—about \$7 million in 21st century dollars. The pace of construction—11 months—was amazing, given the rich use of carved wood, stained glass, chiseled stone, mosaic tiles, and wrought iron. The Castle and the carriage house were built of Kansas silverdale limestone.

The Castle includes a reception hall, music room, ballroom, a library and gold drawing room. The basement at one time housed a bowling alley. With the addition of a music room in 1906, the house totaled 19,360 square feet. The interior of the home’s conservatory was designed by landscape architect Jens Jensen in 1913.
